Notification No. G. 1934—57-58—P.S.C., dated 5th July 1957.

Important Instructions to Candidates—Forms of Applications—for Appointment—Purchase of.

It has been reported by the Director of Printing, Stationery and Publications, that the candidates intending to apply for the posts advertised by the Public Service Commission have been sending very freely and in large numbers requisitions to the Government Central Book Depot, Bangalore, for the supply of application forms, with the result that the normal work of his office has been dislocated and the requisitions are also not complied with without some delay. The candidates seem to consider that the Central Book Depot is the centre for the supply of application forms to all the candidates residing throughout the State as requisitions are received even from places where there are Government Treasuries which also stock and sell these forms. A good number of requisitions received at the Central Book Depot are also reported to be incomplete and defective, the defects usually noticed being, (1) the postal orders sent are not correctly made payable to the Director, Central Book Depot, Bangalore, (2) the value of postal orders or money orders or postal stamps sent by them covers the cost of application forms only and does not include the postal and forwarding charges, (3) supply of forms is requested by V.P.P. or with a bill of cost (which is not admissible), (4) Revenue or Court fee stamps are sent in lieu of postal stamps, (5) envelopes sent by some candidates are not self-addressed and (6) addresses furnished are not legibly written in some cases. The result of such defective requisitions would obviously be that either they are not complied with or when complied with not before there has been considerable delay.

The candidates, particularly those residing within the Mysore State, are therefore advised, in their own interests, to try to purchase the application forms Nos. I or II as the case may be, from the nearest Government Treasury and thus avoid sending their requisitions to the Government Central Book Depot, Bangalore. In cases, however, the candidates find that the application forms are not available in the nearest Treasury or that there is no Treasury near their places of residence, then only requisitions for forms may be sent to the Government Central Book Depot, Bangalore. Such requisitions should be accompanied by (1) self-addressed oblong envelopes and sufficiently stamped, (for sending by ordinary Book Post–1 set of 5 forms No. I: 13 Naye Paise stamps and for 1 set of 2 forms No. II : 6

Naye Paise stamps) and (2) crossed postal orders correctly made payable to the Director, Government Central Book Depot, Bangalore, to cover the full cost of forms or (3) Treasury Receipt for having remitted the full cost of forms into any Mysore Government Treasury under the head "XXXVI Miscellaneous B (vi) Public Service Commission Receipts".

The candidates residing outside the Mysore State may follow the same produce while sending their requisitions for forms.

Incide[illegible]y, all the candidates, whether residing within the Mysore State or outside, are hereby informed that application forms, both Nos. I and II, are not stocked in the Office of the Mysore Public Service Commission, and therefore no requisitions for supply of forms need be sent to this office. The forms should only be purchased either from the nearest Government Treasury or in their absence from the Government Central Book Depot, Bangalore.

Secretary, P.S.C.
